In 1994, he ran for Governor but was defeated in the GOP Primary. In 1996, upon the request of Mayor Harry Hallman of Mt. Pleasant, he again ran for the SC Senate and led the effort to find the funding to replace the aging Cooper River Bridges. With the enthusiastic help of many, he accomplished the mission. The next year, frustrated with the failing schools in Charleston County, he again offered himself for public service and was elected to The Charleston County School Board.

During his long public service, Mr. Ravenel was affectionately known as "Cousin Arthur" for his tireless work on behalf of his constituents. In addition to helping find funding for the new bridge, he was also responsible for helping to secure the initial funding from the General Assembly to procure the Avery Institute at the College of Charleston. He was also instrumental in the creation of the Low Country Graduate Center, a cooperative venture of MUSC, The College of Charleston, The Citadel, USC and Clemson, through his efforts with the Charleston County Legislative Delegation and was particularly proud that it was done without the necessity of legislative action.

After the birth of his son, William, who has Down's Syndrome, he became a passionate advocate in creating and promoting services for the developmentally disabled and served as president of the SC Association for Retarded Children. He sponsored legislation with Senator Bill Mescher of Berkeley County to prevent The Department of Disabilities from closing any of its habitation centers without a vote of the General Assembly.

A lifelong conservationist and environmentalist, he was successful in getting passed an amendment to the State Appropriations Bill to assign a modest percentage of the documentary stamp revenues to purchase and protect South Carolina's natural and cultural heritage sites for the Heritage Land Trust Fund, which owns over a hundred thousand acres. He with his wife, Jean Rickenbaker Ravenel, have placed conservation easements over some of their own properties.

In 1995, he was asked by Governor David Beasley to head up the newly formed Redevelopment Authority created to breathe new life into the closed Charleston Naval Base. Within a few months, he successfully guided the RDA to lease out vital portions of the industrial area, including the dry docks leased to a local firm. He also assisted the Academic Magnet School in to finding a new home on the Old Naval Base. When he left to return to the Senate, the RDA was well on the road to the outstanding success it now enjoys.

A life member of The Sons of Confederate Veterans, Mr. Ravenel was very proud of his grandfather, Edward Ravenel, who served as a courier on General Hardee's staff at The Battle of Bentonville in NC. Private Ravenel had been a member of the Stono Scouts which was made up of men from The Sea Islands surrounding Charleston and was led by Captain Walpole. While in the Senate, Mr. Ravenel was active in negotiations to remove the Confederate Battle Flag from the State House Dome to the Soldiers' Monument in the front of the Capitol.

During his service on the Charleston County School Board, he was most proud of leading the contentious and successful battle that resulted in the opening of the Math and Science Charter School. A life long member of The French Huguenot Church, he was active in the revitalization of the church and traveled around the world interviewing prospective clergy for the reopening of the church. He served on its board for 55 years. He has also been a member of the St. Johns Hunt Club, The South Carolina Society, The Washington Light Infantry, The South Carolina Coastal Conservation League, The Carolina Yacht Club and The Fort Moultrie Camp of the Sons of Confederate Veterans.

He is survived by his brother, Edward Ravenel, his wife, Jean Rickenbaker Ravenel and his former wife, Louise Ravenel Dougherty, his six children; Suzanne Ravenel, Arthur Ravenel, III (Heidi), Reneé R. Brockinton (Harvey), Eva R. Ravenel (of the late René Ravenel), William Ravenel, all of Charleston, SC and Thomas J.J. Ravenel of Aiken, SC. Four step-children, Jean Elliott Manning, Heath Manning, Jr. (deceased), Mary Locke Olliphant (Murray), and Dibble R. Manning (Carla) and many grandchildren and great grandchildren.

The family wishes to express their appreciation to his wonderful caregivers Geraldine Jameson, Luc Maxineau, Philip Edles, Paul Dennis, and The Lutheran Hospice of South Carolina.

CONGRATULATING LEE KLEIN ON HIS RETIREMENT

HON. MIKE FLOOD

OF NEBRASKA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 24, 2023

Mr. FLOOD. Mr. Speaker, today, I want to congratulate Mr. Lee Klein of Norfolk, Nebraska on his retirement.

Lee is a longtime public servant and advocate for agriculture, who has traveled to dozens of countries promoting our agricultural exports. Over the years, Lee has served in many capacities including Board Member for the National Corn Growers Association, Madison County Commissioner, and State Senator in the Nebraska Unicameral. These are just a few of the many roles he's played.

Most recently, he served as a representative for my District Office, helping to connect agricultural stakeholders to my work in Congress. He's been an outstanding ambassador for the First Congressional District.

On a more personal level, Lee has not only served on my staff, but he's also been a great friend and neighbor. As a fellow Norfolk resident, he brought a valuable local perspective to the team and a desire to help keep the district and our country moving forward.

On behalf of the First District of Nebraska, I offer Lee congratulations and best wishes on his retirement.

HONORING THE MEMORY OF WILLA "WILLIE" CASH

HON. RASHIDA TLAIB

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES Tuesday, January 24, 2023

Ms. TLAIB. Mr. Speaker, today I rise in recognition of Willa "Willie" Cash, a long-time resident and community mother of Detroit in

Michigan's 12th District Strong as we mourn her recent passing.

Ms. Cash was born to the late Reed Barbee and Daisy Lilly Glass Barbee in Ripley, Tennessee on August 21, 1937. She graduated from Osceola High School in Osceola Arkansas and graduated from Wilson Junior College in Chicago, Illinois with an associate degree in business. Willa was introduced to her late husband, James E. Cash, by a mutual friend and they married in 1962. They later gave birth to fraternal twins, La'Tanya and La'Trece, James and Willa were married 53 years at the time of his passing in 2015. Willa worked at Realco Company and James at Sears, Roebuck & Co. in Chicago, Illinois and in 1979 the family moved to Detroit.

Ms. Cash's work touched the lives of many when she transitioned to working for the State of Michigan Department of Unemployment Services, and later the Michigan Department of Human Services, where she served as a Family Independence Specialist before retiring in 1999 after 26 years of service.

Ms. Cash was a caring and concerned community member. She volunteered her time and energy with Unity Temple Apostolic Church of Detroit, the Greenwich Park Association Block Club, and she was a proud, lifelong registered voter, and a member-retiree of the UAW Region 1–A. Her hobbies included talking to her sister LaDora and friends daily, listening to her favorite gospel singer Lee Williams and the Spiritual QCs, and watching her favorite television programs.

Above all, Ms. Cash's love, concern, and compassion for her family were extraordinary. Nothing compared to the special bond for her only grandchild A'uston who was the light of her world. She and her husband James gave A'uston all their energy and resources to assist him in graduating college and becoming a successful overseas professional basketball player. They were extremely proud of him. She kept his college team poster in her trunk to show it off on occasion.

Please join me in recognizing Ms. Willa Cash's numerous contributions to our community as we honor her memory.

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 24, 2023

Mr. GALLAGHER. Mr. Speaker, I rise today to honor the career and service of retiring Marinette County Sheriff, Jerry Sauve.

Throughout his nearly 40 years in law enforcement, Sheriff Sauve has committed his career to serving and protecting the people of Marinette County and Northeast Wisconsin. In 1984, Sheriff Sauve began his career as a Deputy at the Marinette County Sheriff's Office and gained numerous experiences that helped him throughout his 12 years as Sheriff. Over the years, Sheriff Sauve was able to witness the incredible evolution and growth in the Sheriff's Office, specifically in DNA matching technology that resulted in the resolution of a 40-year-old unsolved double homicide case. REMEMBERING ANNIVERSARY OF "BLACK JANUARY" IN AZER-BAIJAN

HON. STEVE COHEN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 24, 2023

Mr. COHEN. Mr. Speaker, I rise today to mark the 33rd anniversary of the "Black January" killings in Azerbaijan.

On the night of January 20, 1990, approximately 26,000 Soviet troops stormed Azerbaijan's capital city of Baku in tanks and armored vehicles. The Soviet military bulldozed and open fired on innocent Azerbaijanis and peaceful protestors, including women and children. The attack resulted in 147 people killed, around 800 injured, 841 arrested, and 5 missing. I offer my thoughts and prayers to the families of those who gave their lives for the independence of Azerbaijan.

Despite these merciless acts, the Azerbaijani people continued to fight for their freedom and became independent in 1991. The United States was one of the first countries to recognize Azerbaijan's independence and fully established diplomatic relations on February 28. 1992.

As the co-chairman of the Congressional Azerbaijan Caucus, I recognize the sacrifices of the Azerbaijani people in their steps toward a free-market economy and encourage a recommitment to the democratic values for which many Azerbaijanis sacrificed their lives.

CELEBRATING THE FIFTIETH ANNIVERSARY OF DEGRAY LAKE

HON. BRUCE WESTERMAN

OF ARKANSAS

IN THE HOUSE OF REPRESENTATIVES Tuesday, January 24, 2023

Mr. WESTERMAN. Mr. Speaker, I rise today to celebrate the Fiftieth Anniversary of the creation of DeGray Lake. The 13,400-acre DeGray Lake was created when the U.S. Army Corps of Engineers (USACE) built DeGray Dam on the Caddo River for the purpose of flood control, electricity generation, and drinking water supply for the city of Arkadelphia.

DeGray Lake is vital in the economy of Southwest Arkansas. Thanks to the cooperation of USACE and the Arkansas Department of Parks and Tourism, DeGray Lake Resort State Park, is responsible for more than \$36 million in economic activity and hundreds of jobs related to tourism in the surrounding area. DeGray Lake provides more than just economic and infrastructure benefits to the local populace, however. The lake also provides recreational opportunities such as swimming, hiking trails, camping, golfing, and horseback riding which are enjoyed by many Arkansans. And as we all know, the more time the public spends out in nature, the more we realize how critical it is to be good stewards of conserving our natural resources and the beauty of places like DeGray Lake.

Mr. Speaker, I thank the Ú.S. Army Corps of Engineers for building DeGray Lake to serve the people of Southwest Arkansas and the Arkansas Department of Parks and Tourism for its work in helping preserve DeGray Lake.

OPPOSING THE UNCONSTITU-TIONAL HORSERACING INTEG-RITY AND SAFETY AUTHORITY

HON. LANCE GOODEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, January 24, 2023

Mr. GOODEN of Texas. Mr. Speaker, I rise today in opposition to the unconstitutional Horseracing Integrity and Safety Authority (HISA). During the 117th Congress. I filed an amendment to the omnibus spending bill to strip language from the bill that had been intended to "fix" the Horseracing Integrity and Safety Act, which was found unconstitutional by the Fifth Circuit Court of Appeals on November 18, 2022, because Congress had unlawfully delegated its lawmaking power to a private corporation called the "Authority". The Appeals Court said the Authority needed more oversight from the Federal Trade Commission (FTC), but the language included in the omnibus had been hastily put together and failed to address the underlying issue raised by the Appeals Court. The so-called "fix" still did not allow the FTC to make policy decisions. The FTC still may only reject rules proposed by the Authority if they are inconsistent with the Act, but the Act is written so broadly that no rule will ever be rejected. After the rules have gone into effect, the FTC may now issue its own rules, but it still may do so only to make them consistent with the Act. It cannot impose its own policy decisions on the Authority's rules. Unfortunately, my amendment did not receive a vote in this era of governing by omnibus, but I will be working this Congress to pass legislation through regular order that will fix the constitutional problems with HISA.
